EUROPEAN  
FEDERATION OF  
THE ASSOCIATIONS  
OF DIETITIANS

**European Federation of the Associations of Dietitians**

Germany, Emmerich / Rhein

Aims of EFAD:

- Promote the development of the dietetic profession
- Develop dietetics on a scientific and professional level in the common interest of the member associations
- Facilitate communication between national dietetic associations and other organisations – professional, educational, and governmental
- Encourage a better nutrition situation for the population of the member countries of the Council of Europe.

Membership of the Federation is open to all National Associations of Dietitians from member states of the Council of Europe. EFAD currently has 29 member associations, representing over 27,000 dietitians in 23 European countries. EFAD has links with other organisations in the field of nutrition and dietetics and with other professionals. EFAD does not pursue any political, religious or financial aims.
